SIPSMITHS LONDON DRY GIN

25ml
5.00

The quintessential expression of a classic, traditional London Dry Gin. Bold, complex and aromatic – smooth enough for a Martini, yet rich and balanced, perfect for a G&T.

On the nose, Floral, summer meadow notes, followed by mellow rounded juniper and zesty, citrus freshness. The palate shows juniper leads, then reveals lemon tart & orange marmalade, and the finish has spicy juniper & a hint of lemon tart emerging.

Why not step back in time and enjoy it served hot.

(O) ORGANIC viticulture is when the grower concentrates more on growing a healthy vine, by developing nutritious soil and a balanced ecosystem without the use of artificial fertilizers and pesticides.

(B) BIODYNAMIC viticulture takes it a step further and takes in to account the spiritual side of things, including running the vineyard and winery by lunar cycles. ITATA VALLEY, CHILE 2016

Cool climate dry Muscat from the coastal vineyards of Chile's Itata Valley. This is one of the most exciting areas in Chile at the minute making truly unique wines from a collection of the first planted varieties. Gallardia is a pretty local flower that struggles to blossom in the harsh local climate. The wines are born of the very same struggle. A fantastic end of the working day white that is fresh, not overtly grapey with a lovely crisp tangy finish.

SANCERRE 'LE M.D', HENRI BOURGEOIS LOIRE, FRANCE 2016

55.00

Le M.D is a very steep south-east facing slope in Chavignol – M.D. stands for Mont Damné, literally "damned slope" because it is so difficult to harvest. Since the 11th century, noblemen would outbid one another just to possess a small parcel. During the harvest only the ripest grapes are hand-picked and carefully transported to the cellar where they are gently pressed to release their aromas.

STELLENBOSCH, SOUTH AFRICA, 2015

This superb Chardonnay combines fine restraining acidity, citrus flavours and gentle oak with ripeness, length and great depth. Genuinely mineral, with a crisp lime-citrus edge and an elegant yet intense length on the palate. "A Chardonnay daring to be individual, focused on backbone not butter."

TESTALONGA BANDITO CORTEZ, CHENIN BLANC,

56.00

SWARTLAND, SOUTH AFRICA, 2016

Testalonga Cortez Chenin Blanc Craig Hawkins, rich, round, mineral, top South African Chenin! It has a beautiful bright golden colour with aromas of wild honey and freshly baked bread which contrast with its dry, very racy with tangible sinewy texture. There is plenty of depth and complexity, a core of Asian pear and orange peel, layers of herbs, fennel, nuts with almost a seaweed saltiness and minerality. Seems to be quite Jura like in style but is also distinctively New World. Fascinating Chenin showing how South Africa is becoming a very exciting country for natural wine with life and vigour!

SPAIN

CAPRICHOS CHARDONNAY/MACABEO, CARINENA, SPAIN, 2016 20.50

50% Chardonnay, 50% Macabeo, vinified separately then blended, unoaked. A no-nonsense, fresh, fruity, simple and satisfying dry white that ticks all the boxes. Aromas of apples, juicy limes and a touch of tropical fruits.

MONTECILLO RIOJA BLANCO, RIOJA, 2016 29.50

Lovely aromas of ripe limes and grapefruit on the nose with hints of peach and a creamy brioche note; the oak is subtle and perfectly balanced, not at all intrusive. The palate is full and round with superb weight and acidity and with more of that citrus-tropical combo flourishing through. This really is an excellent, quite complex wine for the money, certainly one of the best of its kind on the market and it has forced us to re-assess our views on white Rioja.

GRAN CERDO BLANCO, GONZALO GRIJALBA (O) (B) (N) RIOJA, SPAIN 2016 37.00

Pale colour, very fresh with good acidity and crisp, green apple fruit from the Viura. The slightly floral nose comes from the myriad of experimental white varieties in the blend.

100% Albarino. An intense lemon-yellow colour, it is characterised by its intensity of flavours, with a notable tang of citrus such as lime and grapefruit, underpinned by a subtle hint of aniseed.

USA

EVOLUTION, SOKOL BLOSSER (O) (N) OREGON, USA 19TH EDITION 40.00

A blend of nine different grape varieties that amounts to more than the sum of its parts; grapey Muscat comes through on the nose, touches of spice from the Gewurztraminer and Riesling on the palate, wrapped up in zingy acidity to balance it all out.

RIESLING, OFF THE GRID, OVUM (N) OREGON, USA 2015 60.00

Smoky mineral, salty wet rock, yellow plum. Incredibly light for 12.5%, seemingly bone dry with delineated acid. Think Wachau Smaragd Riesling from a cool vintage.

The largest wine region in Oregon is the Willamette Valley, lying between the cities of Portland and Eugene and home to most of Oregon's wineries. Combine that with good drainage and poor soils, and you've got the perfect environment for world-class Pinot Noir. You'll find dark, elegant fruit flavours in this magnificent Pinot Noir from Kelley Fox's biodynamic vineyards.
